Select a topic in the drop-down list & fill out the requested data.

[Abstract Submission for Publication](#)

To ensure consistent formatting in the Book of Abstracts and Congress App, all accepted abstracts must be submitted using the official template.

Step 1: Download the official abstract template below.

Step 2: Complete the template with all required information, including title, authors, affiliations, references, tables and figures where applicable.

Step 3: Upload the completed Word document (.docx) below.

Please note: The uploaded file will be used directly for publication in the Book of Abstracts and the Congress App. Authors are therefore responsible for ensuring that the document is complete and publication-ready.

Please download and use [the official abstract template](#) provided below. The template contains all required formatting instructions.

[\(Download here\)](#)

Please copy your abstract file (excluding title, authors, affiliations and images/tables/graphs, but including your references) * Words left: 300

The text entered below, together with any uploaded images, will be used for review purposes. The Word document uploaded separately will be used for publication in the Congress App and the Book of Abstracts.

Add optional Images, tables, graphs (for reviewing process) here:

Please upload optional supporting image 1 (for reviewing process)
